reiki massage  
DUBAI

Expect the unexpected with this holistic and spiritual experience. A healing technique to draw in and channel energy from the universe to heal and rebalance the body.

custom designed to embrace  
the local environment and  
culture to provide an authentic  
indigenous experience

healing ritual  
**BALI**

Experience healing rituals, specially designed for both relaxing and invigorating moments as well as detoxification. The rituals include Moksha – *harmony and calm*; Aanand – *bliss and nourishment*; Yowanna – *rejuvenation and inner radiance* and Nirmala – *purification and preservation*.

returning to the true definition  
of spa, “sanitas per aquas”  
Latin for “healing by waters”

balance  
THAILAND

The Thai healing system is rooted in the belief that the physical body is made up of four elements – Earth, Water, Fire and Air. The primary goal of Thai therapy is to promote health and longevity by maintaining the vitality and balance of these four elements.

treatments and services incorporate the principles of hydrating the body to promote wellness and renewal.

light ritual  
INDIA

The Ayurvedic texts of ancient India recount the Gods using colored light to heal the body and to inject life force into food and water. This makes the principles of Color Healing, Auric Healing and Auric Reading as old as all of recorded history.

Each Hyatt Pure spa worldwide allows guests to discover natural ingredients, exquisite treatments, and unexpected beauty.
